hey Peter, we just got this new puppy, she's called Molly, cute as a button and we're taking her over to meet Scout this weekend ... did you ever get him fixed? They would make beautiful babies - hahahahaha

Peter, can't believe we can write to here ... so great. Alex is planning to come visit next week, he has some time off work and is going to drive to NJ, then go to the city to catch up with some friends so it's perfect. Life is good here, it's been a busy summer but no complaints, business is good and everyone is doing OK. I'm worried about Alex's Dad, he's still smoking and coughing and won't listen to anyone but you know how that goes. Mary tells me you are up for Parole next month, fingers crossed for good news babe.

hi Mo, when is Alex going? Jacob said he wanted to go too, maybe he can go with Alex and we'll get him put on the visitors list?

Maureen Kelly | 16 Oct 17 | 09.22 PM

he's going next Wednesday, the 25th in the afternoon, from 3.45 on I think, text him to make sure but I'm sure he'd be fine taking Jacob

Peter it's so great to be able to talk to you on here and let you know what's going on. We miss you so much and hope that you are staying strong and really hoping that you get some good news at your next Parole hearing. The kids are growing so fast you won't believe how big they are. Simon is in 6th Grade and is totally embarrassed by us, darts out of the car when I take him to school so no one sees me (nice huh) and Alexis is 8 going on 18. It's scary. I would love to come visit but it's so hard to get away with the kids schedule, I hope you understand. Let me know if there is anything we can send to you, books etc. are you still reading? I hope you got the Lee Child books I sent you? Jack Reacher is one of my favorites. I hear your Mom can post updates on this site from you so just let me know and I'll send you the rest of the series.

Hi Peter, I have set up this site so all your friends and family can write to you as we think about without having to save all our thoughts up to write a letter!! I know it's crazy but I want to write you all the time but never get around to sitting down and doing it. Anyway hope you are holding up OK, we really miss you. Scout is doing great, he misses you too but is happy and healthy and getting his walks in. Your Mom isn't very into technology as you know but maybe we can get her to write to you here. Lots of Love xoxoxoxōŸ•
